our banners today

We follow the ancient traditions of the church calendar. Each season is symbolized by different colours. Currently we are in "Ordinary Time."

beyond ourselves

News from Elizabeth Lowe

Elizabeth wrote recently about "Women in Ministry," a project which began in 2005 as a discipleship and leadership development course, usually spanning 18+ months, for women serving in urban house churches. She thanks us for our prayers for the third WIM conference in May, during which God brought the women closer to each other and to himself. Trust and acceptance are developing, issues surfacing, and women ministering to each other. Elizabeth asks for prayer for local mentors who can also befriend these women, for much-needed funds, and for the July gathering which will be led entirely by locals.

Ian and Naomi Elliott are here this morning – try to catch them and say "Hello"!

It's a girl!

Helen Daphne McClung was born early in the morning on Monday, June 25! She is healthy and everyone is doing well.
