Announcements

Welcome to University Chapel!

If you are new to University Chapel, please help us get to know you better by staying to fellowship after the service and by filling out an orange welcome slip found in the pew and placing it in the offering bag.

our banners today

We follow the ancient traditions of the church calendar. Each season is symbolized by different colours. Currently we are in "Ordinary Time."

The green banners on the wall represent the renewal of living things and the promise of new life.

Attention all participants and parents: we have lots of left behind crafts and clothing items! Please check our lost and found if you are missing anything!

The River—Finding Freedom

The River: 360 is a semester long, in-depth discipleship and prayer course designed for young adults (ages 17-24) that explores relationships and sexuality and how they intersect with God's design. The program includes worship, integrative teachings, personal reflection and small group sharing. We seek to create a safe, confidential and relaxed environment where you can deepen in self-understanding, find encouragement and experience God's love and truth. This 10-session course begins September 26 in Vancouver. If you are interested in enrolling, visit therivercanada.org or email theriver@livingwaterscanada.org.

beyond ourselves

Here and There

As the end of summer creeps up, some of our Christian workers will be wrapping up certain activities. The team that went to Peru will be sharing their experiences with us next week, and we can pray that the physical and personal work they've done in Rinconada del Sol will continue to benefit the people whose lives they've touched. On the 24th, Ian Elliott and the Intervarsity Global Partnership team he has led will be ending their time in Israel where they have been meeting with groups from varied backgrounds – as they return to Canada, we pray that conversations between those they have met with will continue to bring strength and reconciliation. And UC's own VBS has had a busy, exciting week -- many of our neighbours now know who we are and will hopefully return!

David and Audry Waines are still in Canada and David will be speaking at UC next week – please don't miss the opportunity to get to know them better!
