Many, many thanks to everyone who has helped us put together our new basement kitchen! The assembly is now done and we are on to the next phase! Stay tuned for specific dates for the demolition of the old kitchen and the installation of the new kitchen—this will likely take place during the last week of May.

### Blenheim Lodge Service—Sun May 12

University Chapel provides a short church service for Blenheim Lodge, a local retirement home, on a quarterly basis. Our next service is on Sunday, May 12 from 3:30-4:00pm. If you would like to participate in this service in any way (music, reading, or interacting with residents) or if you would like to learn more, please speak to David Cheng today or email him at [szemingcheng@gmail.com](mailto:szemingcheng@gmail.com).

### Thank you for helping on Saturday!

A huge thank you to everyone who came out to the Work Day yesterday! We had a lot of fun and our building and property are looking much better today! Stay tuned for more work days this spring focusing on the basement kitchen and the garden.

### Operation Baby Bottle

We invite you to support your local Crisis Pregnancy Centre by joining the Operation Baby Bottle Campaign (May 12-June 16). On Mother's Day, sign up in the foyer and pick a baby bottle. Start filling up your bottle with change (or cash/cheque), complete the reply form and return the bottle on Father's Day. Your support helps women and men facing an unplanned pregnancy to receive care and support, peer counselling, education info, and community referral. Please see the insert in your bulletin for more.
